How many 7-day, 10-day or 15-day dry spells do we historically get **on average** from November to January?

# 7-day dry spells from November to January 2025-'26

Historical avg. number  
of 7-day dry spells

What is the FORECAST for  
November to January 2025-'26

Probability of at least  
THREE 7-day dry spells

MAX number of 7-day  
dry spells

# 15-day dry spells from November to January 2025-'26

Historical avg. number  
of 15-day dry spells

What is the FORECAST for  
November to January 2025-'26

Probability of at least ONE  
15-day dry spell

MAX number of 15-day  
dry spells

**Regional climate data, information, tools,  
experimental and operational products  
are available at**
